Funny Foxes Hunt and Peck

Hunt the farm for clues to solve the mystery of the fox. Splash through the past in our washtub race relay.

- Program: 60 minutes
- Cost: \$5/child. Min 10, max 20 children

Add a 30 minute wagon ride for only \$3/ rider.

What's with the Water?

Test the limits of earth's most wonderful substance! See the animals, the gardens, and fields and explore how animals use water and how we use water to care for everything. Campers will finish the day with a water conservation relay. You will get wet!

- Program: 60 minutes
- Cost: \$5/child. Min 10, max 30 children
- Ages: K-6th grade

Superheroes to the Rescue

Campers learn more about the animals that have inspired our favorite superheroes. During a hands-on, interactive presentation, kids discover the special superpowers of spiders, bats, cats and other animals. Campers understand how our super powered animal friends are helping humans survive every day, and how they can return the favor!

- Program: 60 minutes
- Cost: \$5/child. Min 10, max 30 children
- Ages: K-6th grade
